HOUSE MOTION _____

MR. SPEAKER:

I move that Engrossed Senate Bill 72 be amended to read as follows:

- 1 Page 50, between lines 33 and 34, begin a new paragraph and insert:
- 2 "SECTION 77. IC 36-4-3-5, AS AMENDED BY P.L.173-2003,
- 3 SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 4 JULY 1, 2004]: Sec. 5. (a) If the owners of land located outside of but
- 5 contiguous to a municipality want to have territory containing that land
- 6 annexed to the municipality, they may file with the legislative body of
- 7 the municipality a petition:
- 8 (1) signed by at least:
- 9 (A) fifty-one percent (51%) of the owners of land in the
- 10 territory sought to be annexed; or
- 11 (B) the owners of seventy-five percent (75%) of the total
- 12 assessed value of the land for property tax purposes; and
- 13 (2) requesting an ordinance annexing the area described in the
- 14 petition.
- 15 (b) The petition circulated by the landowners must include on each
- 16 page where signatures are affixed a heading that is substantially similar
- 17 to the following:
- 18 "PETITION FOR ANNEXATION INTO THE (insert whether city
- 19 or town) OF (insert name of city or town).".
- 20 (c) Except as provided in section 5.1 of this chapter, if the legislative
- 21 body fails to pass the ordinance within one hundred fifty (150) days
- 22 after the date of filing of a petition under subsection (a), the petitioners
- 23 may file a duplicate copy of the petition in the circuit or superior court
- 24 of a county in which the territory is located, and shall include a written

statement of why the annexation should take place. Notice of the proceedings, in the form of a summons, shall be served on the municipality named in the petition. The municipality is the defendant in the cause and shall appear and answer.

(d) **Except as provided in subsection (e)**, the court shall hear and determine the petition without a jury, and shall order the proposed annexation to take place only if the evidence introduced by the parties establishes that:

- (1) essential municipal services and facilities are not available to the residents of the territory sought to be annexed;
- (2) the municipality is physically and financially able to provide municipal services to the territory sought to be annexed;
- (3) the population density of the territory sought to be annexed is at least three (3) persons per acre; and
- (4) the territory sought to be annexed is contiguous to the municipality.

If the evidence does not establish all four (4) of the preceding factors, the court shall deny the petition and dismiss the proceeding.

(e) **This subsection applies to an annexation of territory if at least fifty percent (50%) of the external boundaries of the territory (without considering any part of the territory's boundary that is contiguous to a county boundary) are contiguous to the boundaries of the annexing municipality. The court shall hear and determine the petition without a jury and shall order the proposed annexation to take place only if the evidence introduced by the parties establishes that:**

- (1) the municipality is physically and financially able to provide municipal services to the territory sought to be annexed;
- (2) the population density of the territory sought to be annexed is at least three (3) persons per acre; and
- (3) the territory sought to be annexed is contiguous to the municipality.

If the evidence does not establish all the factors described in subdivisions (1) through (3), the court shall deny the petition and dismiss the proceeding.

(f) This subsection does not apply to a town that has abolished town legislative body districts under IC 36-5-2-4.1. An ordinance adopted under this section must assign the territory annexed by the ordinance to at least one (1) municipal legislative body district.

SECTION 2. IC 36-4-3-11, AS AMENDED BY P.L.173-2003, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 11. (a) Except as provided in section 5.1(i) of this chapter and subsection (d), whenever territory is annexed by a

municipality under this chapter, the annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located a written remonstrance signed by:

(1) at least:

(A) sixty-five percent (65%) of the owners of land in the annexed territory; or

(B) fifty-one percent (51%) of the owners of land in the annexed territory, if the annexing municipality is in a county contiguous to a county containing a consolidated city; or

(2) the owners of more than:

(A) seventy-five percent (75%) in assessed valuation of the land in the annexed territory; or

(B) sixty percent (60%) in assessed valuation of the land in the annexed territory, if the annexing municipality is in a county contiguous to a county containing a consolidated city.

The remonstrance must be filed within ninety (90) days after the publication of the annexation ordinance under section 7 of this chapter, must be accompanied by a copy of that ordinance, and must state the reason why the annexation should not take place.

(b) On receipt of the remonstrance, the court shall determine whether the remonstrance has the necessary signatures. In determining the total number of landowners of the annexed territory and whether signers of the remonstrance are landowners, the names appearing on the tax duplicate for that territory constitute prima facie evidence of ownership. Only one (1) person having an interest in each single property, as evidenced by the tax duplicate, is considered a landowner for purposes of this section.

(c) If the court determines that the remonstrance is sufficient, it shall fix a time, within sixty (60) days of its determination, for a hearing on the remonstrance. Notice of the proceedings, in the form of a summons, shall be served on the annexing municipality. The municipality is the defendant in the cause and shall appear and answer.

(d) If an annexation is initiated by property owners under section 5.1 of this chapter and all property owners within the area to be annexed petition the municipality to be annexed, a remonstrance to the annexation may not be filed under this section.

SECTION 3. IC 36-4-3-13, AS AMENDED BY P.L.173-2003, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 13. (a) Except as provided in subsections (e) and (g), at the hearing under section 12 of this chapter, the court shall order a proposed annexation to take place if the following requirements are met:

(1) The requirements of either subsection (b) or (c).

- 1 (2) The requirements of subsection (d).
- 2 (b) The requirements of this subsection are met if the evidence
- 3 establishes the following:
 - 4 (1) That the territory sought to be annexed is contiguous to the
 - 5 municipality.
 - 6 (2) One (1) of the following:
 - 7 (A) The resident population density of the territory sought to
 - 8 be annexed is at least three (3) persons per acre.
 - 9 (B) Sixty percent (60%) of the territory is subdivided.
 - 10 (C) The territory is zoned for commercial, business, or
 - 11 industrial uses.
- 12 (c) The requirements of this subsection are met if the evidence
- 13 establishes the following:
 - 14 (1) That the territory sought to be annexed is contiguous to the
 - 15 municipality as required by section 1.5 of this chapter, except that
 - 16 at least one-fourth (1/4), instead of one-eighth (1/8), of the
 - 17 aggregate external boundaries of the territory sought to be annexed
 - 18 must coincide with the boundaries of the municipality.
 - 19 (2) That the territory sought to be annexed is needed and can be
 - 20 used by the municipality for its development in the reasonably near
 - 21 future.
- 22 (d) The requirements of this subsection are met if the evidence
- 23 establishes that the municipality has developed and adopted a written
- 24 fiscal plan and has established a definite policy, by resolution of the
- 25 legislative body as set forth in section 3.1 of this chapter. The fiscal
- 26 plan must show the following:
 - 27 (1) The cost estimates of planned services to be furnished to the
 - 28 territory to be annexed. The plan must present itemized estimated
 - 29 costs for each municipal department or agency.
 - 30 (2) The method or methods of financing the planned services. The
 - 31 plan must explain how specific and detailed expenses will be
 - 32 funded and must indicate the taxes, grants, and other funding to
 - 33 be used.
 - 34 (3) The plan for the organization and extension of services. The
 - 35 plan must detail the specific services that will be provided and the
 - 36 dates the services will begin.
 - 37 (4) That planned services of a noncapital nature, including police
 - 38 protection, fire protection, street and road maintenance, and other
 - 39 noncapital services normally provided within the corporate
 - 40 boundaries, will be provided to the annexed territory within one
 - 41 (1) year after the effective date of annexation and that they will be
 - 42 provided in a manner equivalent in standard and scope to those
 - 43 noncapital services provided to areas within the corporate
 - 44 boundaries regardless of similar topography, patterns of land use,
 - 45 and population density.
 - 46 (5) That services of a capital improvement nature, including street

construction, street lighting, sewer facilities, water facilities, and stormwater drainage facilities, will be provided to the annexed territory within three (3) years after the effective date of the annexation in the same manner as those services are provided to areas within the corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.

(e) At the hearing under section 12 of this chapter, the court shall do the following:

(1) Consider evidence on the conditions listed in subdivision (2).

(2) Order a proposed annexation not to take place if the court finds that all of the following conditions exist in the territory proposed to be annexed:

(A) The following services are adequately furnished by a provider other than the municipality seeking the annexation:

(i) Police and fire protection.

(ii) Street and road maintenance.

(B) The annexation will have a significant financial impact on the residents or owners of land.

(C) The annexation is not in the best interests of the owners of land in the territory proposed to be annexed as set forth in subsection (f).

~~(D) One (1) of the following opposes~~ **A sufficient number of landowners oppose the annexation as follows:**

(i) At least sixty-five percent (65%) of the owners of land in the territory proposed to be annexed ~~(ii) oppose the annexation or~~ the owners of more than seventy-five percent (75%) in assessed valuation of the land in the territory proposed to be annexed **oppose the annexation.**

(ii) If the annexing municipality is located in a county contiguous to a county containing a consolidated city, at least fifty-one percent (51%) of the owners of land in the territory proposed to be annexed oppose the annexation or the owners of more than sixty percent (60%) in assessed valuation of the land in the territory proposed to be annexed oppose the annexation.

Evidence of opposition may be expressed by any owner of land in the territory proposed to be annexed.

(f) The municipality under subsection (e)(2)(C) bears the burden of proving that the annexation is in the best interests of the owners of land in the territory proposed to be annexed. In determining this issue, the court may consider whether the municipality has extended sewer or water services to the entire territory to be annexed:

(1) within the three (3) years preceding the date of the

1 introduction of the annexation ordinance; or
 2 (2) under a contract in lieu of annexation entered into under
 3 IC 36-4-3-21.

4 The court may not consider the provision of water services as a result
 5 of an order by the Indiana utility regulatory commission to constitute
 6 the provision of water services to the territory to be annexed.

7 (g) This subsection applies only to cities located in a county having
 8 a population of more than two hundred thousand (200,000) but less
 9 than three hundred thousand (300,000). However, this subsection does
 10 not apply if on April 1, 1993, the entire boundary of the territory that is
 11 proposed to be annexed was contiguous to territory that was within the
 12 boundaries of one (1) or more municipalities. At the hearing under
 13 section 12 of this chapter, the court shall do the following:

14 (1) Consider evidence on the conditions listed in subdivision (2).

15 (2) Order a proposed annexation not to take place if the court
 16 finds that all of the following conditions exist in the territory
 17 proposed to be annexed:

18 (A) The following services are adequately furnished by a
 19 provider other than the municipality seeking the annexation:

20 (i) Police and fire protection.

21 (ii) Street and road maintenance.

22 (B) The annexation will have a significant financial impact on
 23 the residents or owners of land.

24 (C) One (1) of the following opposes the annexation:

25 (i) A majority of the owners of land in the territory proposed
 26 to be annexed.

27 (ii) The owners of more than seventy-five percent (75%) in
 28 assessed valuation of the land in the territory proposed to be
 29 annexed.

30 Evidence of opposition may be expressed by any owner of land
 31 in the territory proposed to be annexed.

32 (h) The most recent:

33 (1) federal decennial census;

34 (2) federal special census;

35 (3) special tabulation; or

36 (4) corrected population count;

37 shall be used as evidence of resident population density for purposes

- 1 of subsection (b)(2)(A), but this evidence may be rebutted by other
- 2 evidence of population density."
- 3 Renumber all SECTIONS consecutively.
